

Important:

Your Reward account is changing

Your Reward account comes with great benefits. However, lower interest rates in the UK marketplace mean the cost of providing the account has increased. Because of this, we'll be making some changes to your account from 26th June 2017.

Here's what's changing

1. The monthly account fee is going down from £3 to £2
2. The Rewards you'll earn back on 7 types of household bills will change from 3% to 2%

You can see more details about these changes over the page.

If you're happy to keep your account, you don't need to do anything. But we do have a choice of other accounts, with and without benefits and monthly fees. You can see our full range at natwest.com/accounts. If you'd like to move to another account or close it altogether, just let us know and we'll help you with that.

We think your account still offers great value and we hope you agree – have a look in your welcome pack to find out more.
